

- EXPLANATION**
- 1150
300
Well used for control
 - Top number indicates altitude of top of the Cow Creek Limestone, in feet above mean sea level
 - Bottom number indicates depth to top of the Cow Creek Limestone, in feet below land surface
 - x 1050
Surface contact used for control
 - Number indicates altitude of top of the Cow Creek Limestone, in feet above mean sea level
 - Data points derived from topographic and geologic maps
 - 1050-
Line showing approximate altitude of top of the Cow Creek Limestone
Dashed where control is absent or limited
Interval 50 feet
Datum is mean sea level
 -  Outcrop of Cow Creek Limestone
 -  Contact
 -  Fault
 - U, upthrown side; D, downthrown side
Dashed where approximately located
