

The Future of Desalination in Texas

Editor's Note

Introduction

Chapter 1: Availability and Development of Saline Water Sources in Texas

Chapter 2: Desalination Technology

Chapter 3: Desalination Projects Funding and Implementation

Chapter 4: Desalination Resources

Appendix: Biographies and Contact Information

VOLUME 2
BIENNIAL REPORT ON
SEAWATER DESALINATION
December 2004

Texas Water Development Board
P.O. Box 13231, Capitol Station
Austin, Texas 78711-3231

Chapter 2a: Desalination Technology

Introduction to Desalination Technologies

Hari J. Krishna

Desalination Technology Trends

Tom Pankratz

An Overview of Seawater Intake Facilities for Seawater Desalination

Tom Pankratz

Potential for Thermal Desalination in Texas

John Tonner

The Importance of Pilot Studies in the Development of Large-Scale Seawater Desalination Plants

C. Robert Reiss, P.E.

Fundamentals of Membranes for Water Treatment

Alyson Sagle and Benny Freeman

Integration of Power Generation and Water Desalination Operations

Neil Callahan

Go to Chapter 2b: Desalination Technology

Chapter 2b: Desalination Technology

The Importance of Energy Recovery Devices in Reverse Osmosis Desalination

Boris Liberman

Review of Concentrate Management Options

Michael Mickley

Please Pass the Salt: Using Oil Fields for the Disposal of Concentrate from Desalination Plants

Robert E. Mace, Jean-Philippe Nicot, Ali H. Chowdhury, Alan R. Dutton, and Sanjeev Kalaswad

Economic Siting Factors for Seawater Desalination Projects along the Texas Gulf-Coast

Ken Choeffel and Mark Graves

Permitting Roadmap for Seawater Desalination Facilities in Texas Using Reverse Osmosis Process

Howard Steiman

Cost Guidance for Seawater Desalination Facilities in Texas

Jonathan Dietrich and Christophe Robert

Go to Chapter 2a: Desalination Technology

Return to the Main Menu

Chapter 3: Desalination Projects Funding and Implementation

Successful Procurement and Finance Methods: The Southwest Florida Experience

Eugene Schiller

Local Resource Management in Southern California

Anatole Falagan and Jose Vergara

Design-Build-Finance-Own-Operate-Transfer Approaches

James Smith

Private Activity Bonds and Financing Water Infrastructure in Texas

Andy Shea and Jim Forte'

Southmost Regional Water Authority Regional Desalination Plant

Joseph W. (Bill) Norris

Desalination of Brackish Groundwater in El Paso, Texas

Ed Archuleta

An Overview of Texas Water Development Board Financial Assistance Programs for Saltwater Desalination Projects

Amanda Lavin

Return to the Main Menu

Chapter 4: Desalination Technology Outreach Resources

Desalination Research at Texas Universities -- A Brief Overview

C. Allan Jones and Ric Jensen

Desalination Resources
