

Texas Water Development Board

Report 368: Groundwater Resource Evaluation and Availability Model of the Gulf Coast Aquifer in the Lower Rio Grande Valley of Texas

Erratum

- Page i. The title page has the incorrect title. The title should be the same as the title on the cover page: Groundwater Resource Evaluation and Availability Model of the Gulf Coast Aquifer in the Lower Rio Grande Valley of Texas. Note that the titles on the spine and the page headers are also different; however, we did this on purpose to accommodate the limited space in these two locations.
